Questions regarding this report should be directed to:  
 Director of Public Safety  
 Sullivan University  
 3101 Bardstown Road  
 Louisville, KY 40205.

## Annual Notice

It is the policy of The Sullivan University System to inform prospective and current employees and students about campus security before classes or employment begins. Current employees and students will be notified at least annually.

## Sullivan University Policy

Potential criminal actions and other emergencies on campus can be reported to the Public Safety Department by calling 502-817-8292 or by dialing extension 8888 on any campus telephone. The University's commitment to its students' safety is also reflected in the maintenance of its buildings and grounds. The maintenance staff inspects all facilities regularly and responds immediately to reports of potential safety and security hazards, such as broken windows and locks.

Public Safety Officers are available to escort students or employees to their vehicles upon request.

All criminal actions detected during operating hours must be reported to the Sullivan University Public Safety Department, an officer will respond and document the incident. Criminal actions detected after normal hours should be reported immediately to the contract security guard by dialing 502-817-8292. All complaints will be investigated in a prompt, impartial and confidential manner. Local law enforcement authorities may be involved if necessary, or upon request.

## Department of Public Safety

Campus safety and security are coordinated by the Sullivan University Department of Public Safety. The Department of Public Safety works closely with the Louisville Metro Police Department as well as state and federal agencies. Sullivan University maintains public safety or contract security staff on campus 24 hours a day, seven days a week. Public Safety/security personnel have felony arrest authority as described in KRS 431.005. (4).

## Personal Safety

Individuals should always remain aware of their surroundings and report any suspicious or odd activity to a member of the Public Safety staff. The University affirms the right of individuals to protect themselves against imminent danger. Educational seminars are available on various safety and security issues through the Department of Public Safety.

## Reported Crimes

State and federal legislation requires Sullivan University to report campus and housing crime statistics each year, data covering the past three years is included. We also report crimes that have occurred on the public streets and property surrounding the campus. There are no procedures for the filing and reporting of anonymous crime reports or complaints.

The University will issue warning reports if a crime or pattern of crimes represents a threat to any member of the campus community.

## Illegal Drugs, Alcohol, Sexual Assault:

University Policy states that no student, employee, or guest may possess, use, or sell, liquor, weapons or illegal drugs on campus. Weapons possession is only allowed for those who are required to possess weapons for employment purposes, such as police and public safety officers. Liquor is only permissible if used in a formal teaching environment.

In compliance with the Campus Sex Crimes Prevention Act (CSCPA), all students, staff, faculty and visitors are advised that information may be obtained about convicted sex offenders at the following locations. These databases are state-wide, containing information maintained on sex offenders who may be enrolled or employed at Sullivan University.

The States of Kentucky and Indiana maintain sex offender information at:
