

## CURRICULUM VITAE

**HIEU T. TRAN, Pharm.D.**

Founding Dean and Professor  
College of Pharmacy  
Sullivan University  
2100 Gardiner Lane  
Louisville, KY 40205  
Phone: (502) 413-8641 - Cell (302) 242-5661  
Email : [htran@sullivan.edu](mailto:htran@sullivan.edu)

### EDUCATION

1993-1995                      Post-Doctoral Fellowship and Senior fellow  
Clinical Pharmacology/Pharmacokinetics/Pharmacodynamics  
In Cardiovascular Therapeutics/Antiarrhythmics  
Hartford Hospital and The University of Connecticut, Hartford, CT  
Advisors: Moses Chow, PharmD, Professor and Director of Drug  
Information  
Jeffrey Kluger, MD, Associate Director Cardiology Division and  
Director CCU/Arrhythmia Laboratory

1991-1993                      Doctor of Pharmacy & Residency  
Philadelphia College of Pharmacy & Science, Philadelphia, PA

1987-1990                      Bachelor of Science, Pharmacy with Honor  
Philadelphia College of Pharmacy & Science, Philadelphia, PA

1985-1987                      Pre-pharmacy Curriculum with Honor  
Camden County College, Blackwood, NJ

### POST-GRADUATE CERTIFICATION

2007- Present                      *AACP-Gallup Dean Leadership Strength Finders*  
Gallup Headquarter, Omaha, NE

*Louisville Health Care Fellowship* by nomination and selection  
Health Enterprises Network, Louisville, KY

2006                                      *Introduction to the Incident Command System*  
*I-100 for Law Enforcement*  
Certified by the Emergency Management Institute

Department of Homeland Security

*Institution Review Board (IRB) for Research*  
FDA Certification

*Searches Made Simple: 10 Steps to Successful Academic Hiring*  
Lauren A. Vicker, Ph.D. and Harriette Royer, MS

2005

*Conducting Employee Performance*  
National Seminar Group – Erie, PA

*Leadership seminar focusing on Legal Issues in Higher Education  
and Conflict Management*  
AACP Annual Meeting - Cincinnati, OH

*Leadership Strategies for the Continuous Improvement of Curricular  
and Pedagogical Activities in Health Professions Education*  
American Council of Pharmaceutical Education – Lewitzburg, VA

*Conducting Employee Evaluations*  
Padgett-Thompson  
Rockhurst University Continuing Education Center

*Erie Conference on Leadership Development & Team Building*  
SkillPath Seminars

2003

*Train the Trainer certification for “Clean Air for Healthy Children”*  
American Academy of Pediatrics, ALA, Erie, PA

*Certification in the Non-smoking training program*  
*“Clean Air for Healthy Children”*  
American Academy of Pediatrics, ALA, Erie, PA

2002

*Bioterrorism Train the Trainers program*  
PA Readiness program, LECOM, Erie, PA

*“Four roles of leadership”*  
By Steven Covey, The VA Hospital, Millcreek, PA

*“Seven Habits of Highly Effective People” seminar*  
By Steven Covey, Millcreek Community Hospital/LECOM, Erie, PA

- Trainer certification for the Non Smoking Program  
“Freedom from Smoking”  
American Lungs Association, Erie, PA*
- 2001 *Advanced Interview Skills seminar  
Bayhealth Medical Center, Dover and Milford campuses, DE*
- 2000 *Parenteral and Enteral Nutrition management, safety and efficacy  
Harvard Medical Continuation Education – Boston, MA  
Anticoagulation Preceptorship Program  
Veteran University Hospital, Loma Linda, CA*
- 2000 *Leadership, Management seminar  
Bayhealth Medical Center, Dover, DE*
- 1999 *Complementary Medicine and Herbal Therapy  
Harvard Medical Continuation Education - Boston, MA*
- Clinical Pharmacokinetics/Dynamics modeling  
Clinical Pharmacokinetics/Dynamics Laboratory II  
University of San Francisco, CA – Roger Jellife, MD*
- 1998 *Teaching skills, Competency Assessment and Problem based learning  
American Council of Pharmaceutical Education – Lewitzburg, VA*
- 1997 *Teaching Skills, Curriculum development, and Competency  
Assessment  
American Association of College of Pharmacy – Boston, MA*
- 1996 *Clinical Pharmacokinetics/Dynamics modeling  
Clinical Pharmacokinetics/Dynamics Laboratory I  
University of San Francisco, CA – Roger Jellife, MD*

**PROFESSIONAL and ADMINISTRATIVE EXPERIENCES**

October 2006 - Founding Dean, College of Pharmacy, Sullivan University  
Louisville, KY

Chief Administrative and Academic Officer of the College. The Dean reports to the CEO of the University, is a member of the University’s Leadership Council and has access to the President of the University. He is primarily responsible for the College of Pharmacy programs and future development. He provides leadership for the college in the

oversight of its instructional, research, and service programs; works with development staff in fund-raising; provides direction to and receives recommendations from college committees charged with curriculum and personnel responsibilities; develops and administers the college's budget, and ensures the college's positive presence in the community.

- Establish the Pharmacy Technician program in 2008 in terms of curriculum, faculty recruitment, accreditation preparation, quality assessment, budget, equipment...

- Establish the foundation for the Center of Nanotechnology Education, Application and Research 2008 – Met with Superintendents in Bullitt, Oldham, Southern Indiana to explain the vision and to set up the infrastructure for this program – all have accepted and welcomed the program – Oldham has contributed 12,000 sq ft for the program

October, 2006

Founding Director, Center for Drug Information and Clinical Research at LECOM – Erie, PA

- Establish from the ground up the Center to provide services in health education and consultation for the health care providers and the community in the Northwest region of PA. In addition to develop the clinical research initiative for the Institution

2001-2006

Founding Chair, Department of Pharmacy Practice at the newly established LECOM School of Pharmacy, Erie, PA  
Successful accreditation June 2005

- Provide vision, leadership and administrative functions for the establishment of a new pharmacy practice and experiential education clinical program in a new school of Pharmacy
- Develop, implement, review, assess, and revise the pharmacy practice/experiential education of the curriculum
- Establish innovation in teaching and faculty development program.
- Mentor the new Director of Experiential Education
- Establish rotation sites. The first class of students starts in September 2002. Establish rotation sites for the first two classes in 6 months
- Manage a department of 24 faculty and its related budget
- Recruit, retain, mentor new faculty for the program
- Faculty development
- Plan and coordinate the NAPLEX review for the graduates of the inaugural Class of 2005

- Propose the development of a Pharmaceutical Care of Excellence for the LECOM School of Pharmacy and a Drug Chain corporation

Founding Director Therapeutic Drug Monitoring Services  
Millcreek Health System, Millcreek, PA

- Establish collaborative practice

Develop/Direct the Clinical Research program for LECOM

\$450,000 funding in three years

With \$600,000 pending

Chair – ACPE Report for Standards on:

- Curriculum
- Faculty Development
- Faculty
- Physical facility
- Member of the Task Force for the Progression visit from ACPE (April 2005)
- Co-author for the Self-study for ACPE accreditation process 2003 for the Candidate status
- Co-author for the Master Academic Plan for ACPE Pre-accreditation process of the School (status granted by ACPE in January 2002)

Consultant to a new pharmacy program (invited) – Texas A&M University

Director of Residency Program – Establish new program for 2 residents (write and submit proposal, establish and supervise the development team)

2000-2001

System Head, Clinical Pharmacy program, Education and Research for three hospitals in the Bayhealth Health care system – Dover, DE  
Pharmacokinetics & Nutrition and Clinical services.

Has accomplished a cost-saving and cost-avoidance of \$400,000 to \$550,000/year to the Institution.

- Responsible for review and recommend for approval the pharmacy drug contracts (Approximate \$150,000 each)
- Responsible for managing three separate Pharmacy and Therapeutics committees (P&T) for three hospitals of the System
- Continuation education (ACPE) coordinator for Bayhealth Medical Center and the Community
- Disease management pathways, guidelines, and Formulary

management

- Responsible for DUE/DUR

- Manage and provide training for 4 clinical pharmacists and 7 staff pharmacists

- Establish the Anticoagulation clinic

- Hiring and retain clinical pharmacists

Director Residency program - Establish a specialized residency program in Critical care, Pharmacokinetics and Nutrition.

Submit to the Hospital administration the justification, rationale, criteria, and the curriculum. Initiate and Coordinate the National registry of Cardiopulmonary resuscitation

Establish the clinical research program (5 studies the first year)

ICU/CCU clinical specialist and Quality Assurance coordinator

Develop the Education program for staff pharmacists in nutrition,

pharmacokinetics and Pharmacotherapeutics - Faculty for Doctor of

Pharmacy candidates in their last year clinical rotations (University of Maryland, Temple, and Wilkes University schools of Pharmacy)

*BayHealth Medical Center, Dover and Milford campuses, DE*

1997-2000

Clinical Research Coordinator & Staff Development

Co-Director Clinical Pharmacokinetic Services

ICU/CCU clinical specialist

Co-Director, Palliative Care Service

Disease management pathways, Formulary management

*Mercy Health System, Scranton, PA*

Faculty for Medical residency program and Doctor of Pharmacy students

NAPLEX Board Review coordinator & lecturer

*Wilkes University, Nesbitt School of Pharmacy*

1995-1996

Clinical, Research & Staff Development Coordinator

Disease management pathways, Formulary management,

Decentralization of Pharmacy services

Co-Director, Clinical Pharmacokinetic Services

*Saint Francis & E.A. Conway Medical Centers, Monroe, LA*

Didactic and Clinical teaching for Bachelor Degree Pharmacy students

NAPLEX Board Review lecturer

*Northeast Louisiana University, School of Pharmacy*

1993-1995

*Senior Fellow, Clinical Pharmacology/Pharmacokinetics/Dynamics &*

## Cardiovascular Therapeutics

Clinical pharmacology coverage (CCU, Arrhythmia service), on-call (24h), research coordinator and administrative duties for the research/fellowship programs (animal, clinical inpatients as well as normal volunteers), development of investigational ideas, writing grants, budget, patients' enrollment, conducting research, data analysis, publication, presentation at national meetings, teaching (didactic and clinical), and preceptor for Bachelor Pharmacy students, Medical residents and Doctor of Pharmacy residents, and junior cardiovascular therapeutics fellow.

Coordinator, National Registry for Myocardial Infarction I & II  
*Hartford Hospital, Hartford, CT*

1991-1993                      Staff Pharmacist (part-time)  
*Philadelphia College of Osteopathic Medicine, PA*

1990-1991                      Clinical Pharmacist (full-time)  
Adjunct Clinical Instructor in Pharmacy  
*Temple University, School of Pharmacy, Philadelphia, PA*

Staff Pharmacist (part-time)  
*Fox Chase Cancer Center, Philadelphia, PA*

1988-1989                      Pharmacy Intern  
*Doctor Avenue Pharmacy, Philadelphia, PA*

## ACADEMIC APPOINTMENTS

October 2006- Present                      Professor of Pharmacy Practice  
Sullivan University College of Pharmacy  
Louisville, KY

2001-October 2006                      Associate Professor of Pharmacy Practice  
LECOM School of Pharmacy, Erie, PA

2000-2001                      Clinical Assistant Professor of Pharmacy Practice  
School of Pharmacy, University of Maryland, MD

1997-2000                      Assistant Professor of Pharmacy Practice  
Nesbitt School of Pharmacy, Wilkes University, Wilkes-Barre, PA

1995-1996                      Assistant Professor of Clinical Pharmacy Practice  
Associate Member - Graduate School Faculty  
School of Pharmacy, Northeast Louisiana University, Monroe, LA

1993-1995                      Clinical Assistant Professor of Clinical Pharmacy  
School of Pharmacy, University of Connecticut, Storrs, CT

1991-1993                      Clinical Pharmacy Teaching Assistant  
Philadelphia College of Pharmacy & Science, Philadelphia, PA

1990-1991                      Adjunct Clinical Instructor in Pharmacy  
School of Pharmacy, Temple University, Philadelphia, PA

#### **ADMINISTRATIVE/MANAGEMENT EXPERIENCES**

1. Founding Dean, Sullivan University College of Pharmacy, Louisville, KY
2. Founding Director, Center for Drug Information and Clinical Research, LECOM School of Pharmacy, Erie, PA
3. Founding Chairman, Department of Pharmacy Practice, LECOM School of Pharmacy, Erie, PA
4. Develop Pharmacy Practice Residency program for LECOM School of Pharmacy, Director (2005)
5. Head, Clinical Pharmacy program, Clinical documentation for cost saving and avoidance, Research program, Coordinator and Investigator, BayHealth Medical System, Dover, DE
6. Director, Clinical Pharmacokinetics and Nutrition services, BayHealth Medical System, Dover, DE
7. Head, Staff development, BayHealth Medical System, Dover, DE
8. CQI for the Clinical program and various hospital initiatives
9. Keep up and assisted with JCAHO new accreditation guidelines

#### **FUND RAISING EFFORTS**

2008-2009     \$150,000 so far  
2007-2008     \$241,600 for scholarship and donation

#### **CLINICAL EXPERIENCES**

Provide patients' pharmacotherapeutic optimization, drug-problems related management, therapeutic drug monitoring, drug information, protocol and guideline development.

**Clinical Specialist, Clinical Pharmacy Consultant, Faculty** – Millcreek Community Hospital, Erie, PA

*Founder and Head, Clinical Pharmacokinetic Services*

**Clinical Specialist, Clinical Pharmacy Coordinator, Faculty** – BayHealth Medical Center

Dover & Milford campuses, DE

*ICU/CCU/Internal Medicine, Pharmacokinetics (Founder and Head), Nutrition & Palliative Care ( Founder and Head)*

**Clinical Specialist, Faculty** - Mercy Hospital, Scranton, PA

*ICU/CCU/Internal Medicine, Pharmacokinetics (Founder and Head), Nutrition & Palliative Care(Founder and Head)*

**Clinical Specialist, Faculty** – Saint Francis Medical Center, Monroe, LA

*ICU/CCU/Internal Medicine, Renal, Anesthesiology & Pharmacokinetics (Founder and Head)*

**Clinical Specialist, Faculty** - E.A. Conway Medical Center, Monroe, LA

*ICU/CCU/Internal Medicine*

**Fellow, Cardiovascular Therapeutics** - Hartford Hospital, Hartford, CT

*CICU, Nutrition & Arrhythmia Service*

*Advisors: Moses SS Chow, PharmD & Jeffrey Kluger, MD*

*(Professor and Director of Drug Information Center - Associate Professor and Director of Cardiology Division, Arrhythmia Lab, and CCU, respectively).*

**Post-Bachelor of Science, Pharmacy**

*Clinical Pharmacist (1990-1991)*

*Temple University Hospital, Philadelphia, PA*

*Responsible for:*

*Oncology-Bone Marrow Transplant, Neurosurgical Intensive Care, CardioThoracic Intensive Care, Medical Intensive Care Units.*

## **CLINICAL INITIATIVES**

2001-October 2006 *Millcreek Health System, PA*

- Smoking counseling
- Continuum of Care (Medication history on admission, and Pre-discharge)
- Brown Bag program
- Clinical documentation and Cost-saving/avoidance
- Warfarin protocol to reduce ADEs
- Clinical Pharmacokinetics Service (CPS) established
- QA procedure in place for the hyperalimentation preparation
- Programs to develop pharmacy clinical programs for the in- and out-patients units.
- Develop, Certify, and Coordinate the Non-Smoking Program for the health care professionals and the community
- Reimbursement plan for the Health system clinics for pharmacy services

2000 - 2001

*Bayhealth Medical Center, Dover and Milford, DE*

- Successfully documented cost-savings and cost-avoidance for the Pharmacy Department and Clinical Services
- Implemented Clinical Pharmacokinetic service with full privileges within 6 months of service at both campuses
- Implemented Clinical Nutrition service with full privileges within 6 months of service at Milford campus and re-organize the current one at Dover campus
- Have achieved to earn the trust and respect of the Medical staff to advance the visibility and to expand the responsibilities of the Pharmacists
- Have planned for the implementation of an anticoagulation clinic (accepted)
- Have successfully proposed the establishment of specialty residency program in Critical care/Clinical Pharmacokinetic at Bayhealth Medical center
- Successfully established a research program (5 major studies the first year)
- Successfully implemented a staff development program for the pharmacists in Clinical Pharmacokinetics and Nutrition
- Have successfully established a clinical rotation for the PharmD students from Wilkes, Maryland and Temple Universities School of Pharmacy
- Initiated semi-annually grand round clinical pharmacology lectures for the Medical Staff
- Sepsis Task force for the ICU/CCU/Trauma at both campuses
- NRCPR registry
- Ad-hoc committee for the study and reporting of ADRs

Others:

Clinical documentation review and PDA clinical documentation pilot project  
Formulary consolidation  
Guidelines for the administration of Enoxaparin  
Sedation guidelines and order sheets  
Activase and Tenecteplase order sheets  
CQI for the Clinical program  
ISMP team  
CPR subcommittee  
Clinical Pharmacology seminar for nurses (at least once a year)  
Brown bag program  
Antibiograms  
Decentralization planning (with the Director of Pharmacy)  
Drug Information Center  
Bioterrorism policy

1999

*Mercy Hospital, Scranton, PA*

- Task force for ACPE accreditation visit (2001-2006)
- We received our School accreditation Summer 2005
- Task force for LECOM Middle State Accreditation (2005- 2006)
- Curriculum committee for LECOM Middle State accreditation (Co-chair)
- Sub-committee for ACPE self-study for accreditation on Standard for Physical and Practice Facilities (Chair)
- Sub-committee for ACPE self-study for accreditation on Standard for Faculty (Chair)
- Sub-committee for ACPE self-study for accreditation on Standard for Curriculum
- ACPE accreditation committee for the new school of Pharmacy (write up report for the Clinical issues for submission to ACPE)
- Leadership committee
- Faculty Delegate to AACP 2003
- Academic affairs committee (develop pharmacy practice curriculum for the new pharmacy program, 2001-2002)
- Faculty development committee (Chair, 2002-2003)
- Curriculum committee for LECOM Self-study for accreditation (Co-Chair, 2001)
- Faculty search committee (Chair, Pharmacy Practice Department)
- Admission committee (2001-2002)
- Founding Faculty Advisor for APhA-ASP
- Participate from the first year in the National Counseling Competition
- Faculty Advisor for the Combined Clinical Pharmacotherapeutic Club between Pharmacy and Medical School students

1997-2000

*Wilkes University, Nesbitt School of Pharmacy*

- Curriculum committee (contribute to the development of outcome based objectives for courses, contents of courses, and the organization of the course sequences for the regular courses, the practice laboratory, the experiential program, and the clinical clerkship)
- Competency Assessment committee (contribute to the development of the competency assessment program based on outcome)
- Faculty search
- Strategic planning for the School of Pharmacy (Co-chair)
- Pharmacotherapeutics (Coordinator for cardiovascular, renal, and medicine & nutrition modules)
- Pharmacy early experiences (1997)
- Faculty development committee,
- University research committee, (Controller)
- (Manage funds and review grant's proposals)

alternative

1995-1996

*Northeast Louisiana University, School of Pharmacy, Monroe, LA*

Graduate School committee  
Curriculum committee  
Faculty search committee

B. Hospitals:

2002-October 2006

*Millcreek Health System, PA*  
Pharmacy and Therapeutic committee  
Infection control committee  
Investigational Review Board (IRB)

2000-2001

*BayHealth Medical Center, Dover & Milford, DE*  
Pharmacy & Therapeutics (Secretary)  
Policy and Procedures  
Critical care  
Infection control  
Multidisciplinary Trauma  
CPR subcommittee (Chair)  
Adverse Drug Reaction ad-hoc (Chair)  
Institutional review board (IRB)  
Disease management pathways  
Pharmacy Leadership  
Diabetes Advisory Council  
AMI/Chest pain clinical pathway  
Pain management  
Clinical pharmacist search  
Director of Pharmacy search

1998-2000

*Mercy Health System, Scranton, PA*  
Pain and palliative end of life care (Co-Director)  
Sedation (Chair)

1997-2000

Medical residency curriculum (Clinical Pharmacology section)  
Critical care committee  
Multidisciplinary team for Cardiology/Critical Care (Team leader)  
Pharmacy & Therapeutics committee  
Antibiotics review subcommittee (Co-Chair)  
Cardiovascular therapeutics review subcommittee (Co-Chair)  
IRB

1997-1998

Strategic planning for the Pharmacy Department (Chair)  
Regional clinical standard task force  
Clinical standard integration task force  
Quality assurance

- Investigation Review Board subcommittee for Scientific merit (09/98)
- 1995-1996      *Saint Francis & E.A. Conway Medical Centers, Monroe, LA*  
 Cardiac arrest  
 Myocardial infarction subcommittee  
 Pharmacy and Therapeutics  
 Disease management pathways  
 Antibiotics, Anesthetics and Biotechnology products subcommittees
- 1990-1991      *Temple University Hospital, Philadelphia, PA*  
 Antibiotics review

C. Professional organizations:

- 1995- Present      American Association of Colleges of Pharmacy (AACP)  
 Founding member for the Council of Chairs (2004-2005)  
 Abstract reviewer (2006-)  
 New investigator research proposals review panel (2006-)
- 2003 – 2006      American Lung Association  
 State Board of Directors in Pennsylvania
- 2002- Present      International Society for Pharmacoeconomics and Outcomes Research  
 Co-Chair – Medication Compliance Committee (2002-2006)  
 Leadership Disease/Health Management group (2007-2008)
- 2000- 2005      American Heart Association  
 Cardiopulmonary, Critical Care subcommittee
- 2000-2001      Delaware Society of Hospital Pharmacists  
 Legislative Chair – successfully defended automation in pharmacy  
 practice at my institution
- 1995-2000      American Heart Association  
 Board of Director Louisville, KY (2008)  
 Member, Board of Directors of Lackawanna County (1999-2000)  
 State Board of Directors, American Heart Association Louisiana  
 Affiliate (1996-1999)  
 Board of Directors, American Heart Association, Monroe, LA (1995)  
 Cardiopulmonary, Critical Care subcommittee
- 1994-present      American College of Clinical Pharmacology  
 Membership and Education Committees (1999-2001)

1992-present            American College of Clinical Pharmacy  
                                 Education Committee B (2007-2008)  
                                 ACCP Planning Committee (2005)  
                                 Task force on Developing Clinical Pharmacy Practice in Community  
                                 hospitals (2001-2002)  
                                 Clinical Affairs Subcommittee B (1999-2001)

## **TEACHING RESPONSIBILITIES**

### **A.     Doctor of Pharmacy program – 2002 - Present**

Responsible for the design, implementation, supervision, assessment and outcome review of the Clinical portion of the curriculum Introduction to Pharmacy, Early Pharmacy Practice Experiences, Intermediate Pharmacy Practice Experiences, Longitudinal care, Drug information I&II, Clinical Pharmacokinetics, Pharmacotherapeutics I-IV (Self-care, Cardiology, Renal, Alternative Medicine, Clinical Nutrition, Critical Care), Pharmaceutical Care lab I-IV, and Advanced Pharmacy Practice Experiences, Physical Assessment (in conjunction with the College of Medicine) & Clinical Laboratory (3 cr), Smoking certification, and CPR certification

*Teaching* – Introduction to Pharmaceutical Care (2 cr), Pharmaceutical Care I & Early Pharmacy Practice Experiences (3 cr), Clinical Pharmacokinetics (3 cr), Clinical Nutrition (3cr), Drug Information I (2 cr), Pharmaceutical Care II/Lab (3 cr), Drug Information II (2 cr), Alternative Medicine (3 cr), team taught Pharmacotherapeutics I-IV/Care Lab I-IV

### **B.     Pharmacy technician certification course**

a.   for McDowell High School students – 2002, 2003, 2004, 2005, 2006  
(Have certified 57 high school students) – Develop curriculum and content  
Developed to include two additional high schools in the county

b.   Sullivan University – Louisville and Lexington campuses - September 2008  
Developed curriculum, hired Director for the program, established the budget, planned for rotations, coordinated programs for both campuses

### **C.     Bachelor and Doctor of Pharmacy and Nursing graduate programs – 1993-2000**

1.   Didactic courses in Cardiology, Renal, Clinical Pharmacokinetics, Physical assessment, Clinical Laboratory, Alternative medicine & Nutrition, Pharmaceutical Care Laboratory, Longitudinal Care course  
Preceptor for Doctor of Pharmacy students in Clinical Pharmacokinetics, Cardiology/ICU/Internal Medicine rotations

### **D.     Doctor of Pharmacy candidates – 1993-2001**

Clinical teaching in Internal Medicine, Cardiovascular therapeutics, Critical care, Clinical Pharmacokinetics, Nutrition, Renal, Clinical laboratory, monograph writing, ADR reporting,

and Drug utilization review

E. Professionals – 1993-present

1. Staff Development for Pharmacists and Pharmacy technicians
2. Nurses and Medical residents
3. Patients and Community residents (geriatric, diabetic...)
4. Preceptor for students and residents
5. Advisor to students
6. Senior fellow to specialized pharmacy residents and junior fellows

**COMMUNITY SERVICES**

2006- Present *Louisville, KY*

Board of Directors of the Buddhist Temple, Louisville KY  
Project manager, remodeling project Vietnamese Buddhist Temple, Louisville KY  
Man & Woman of the Year nomination for Fund raising 2008 – Lymphoma and Leukemia Society, Louisville KY  
Teaching Vietnamese to Asian-American children, Buddhist Temple, Louisville KY  
Initiation of Tae Kwon Do martial arts class to the Buddhist Temple children and members  
Feed the homeless at the Mission of Louisville

2002-2006 *Erie, PA*

Operation Diabetes sponsored by APhA-ASP, Advisor – 07/2006  
Operation Heartburn sponsored by APhA-ASP, Advisor – 06/2006  
Promoting Non-smoking cessation program, Principal investigator – 2003-present  
Tae Kwon Do Martial Arts for Erie Youth, Instructor – 2005  
Tae Kwon Do demonstration for the Mental Health Fair, Instructor – 2003-present  
Tae Kwon Do Martial Arts for Erie Youth, Instructor - 2003  
Team Captain for the Asthma Walk fund raising for LECOM - 2002-present  
Introductory course to Pharmacy for McDowell High School students – 2002-present  
Educational lectures to GECAC residents and practitioners - 2002  
Lecture to Erie Center on Health and Aging – Drug Food Interactions – 2002, 2003

2000-2001 *Dover & Milford, DE*

Mentor high school student in the Explorer program  
Speaker for the support groups: Ostomy, Geriatry, Hepatitis, Diabetes  
Brown bag program for Bayhealth Geriatric group  
Think First for Kids with the Trauma surgeons group for BMC  
Faculty for the Diabetes Educational program  
Meals on Wheel program

1997-2000 *St Mary Church, Wilkes-Barre, PA*

Teach English for the refugees from Asia  
Initiate and teach the preparatory courses for the naturalization examination for the refugees from Asia at St Mary Church, Wilkes-Barre, PA

### **INTERNATIONAL INVITATION**

- 2005                      Workshop at ISPOR 8th Annual European Congress, Florence, Italy, 2005  
*Developing a curriculum for medication compliance using curriculum mapping strategy.*  
ISPOR 8th Annual European Congress, Florence, Italy, 2005
- 2003                      *Invited speaker to the University of Hanoi College of Pharmacy Vietnam*
- 2002                      *Invited lecturer - People to People Ambassador Program, Clinical Pharmacology Delegation to China*  
Stanford University, School of Medicine, San Francisco, CA

### **PRESENTATIONS**

- September 2008        **Sullivan University College of Pharmacy Research collaboration program**  
Invited speaker - Research Dean Council  
University of Louisville, Louisville KY  
Statewide Patient Prescription Medication Safety Insert Program
- August 2008            **Sullivan University College of Pharmacy program**  
Invited speaker - Kiwanii Club, Louisville KY  
**Collaborative Care bill for Community Pharmacy**  
Invited speaker by KPhA – Health Care committee  
Kentucky State Capitol - Frankfort, Kentucky
- January 30, 2008        **Student Pharmacists as Community Resources**  
Invited speaker by KPhA - Kentucky State Capitol  
Frankfort, Kentucky
- November 2007        **Update on the Sullivan University College of Pharmacy**  
Invited speaker - Sunrise Chapter Rotary Club  
Louisville KY
- June 2007              **New Pharmacy Program**  
Invited speaker - The VA Pharmacist Club  
Louisville, KY  
**New Pharmacy Program Breakfast meeting**  
Invited speaker - The Joint Convention of KY Pharmacists – 2007 Spring Meeting, Louisville, KY
- April 2006              **Smoking Cessation Counseling Certification and Reimbursement**

CE for pharmacists in conjunction with the Northwest Pennsylvania Health System Pharmacist (NWPSHP)  
 Coordinator and Speaker – LECOM – Erie, PA

March 2005 **The Most Popular Herbals (CME)**  
 Invited speaker – EMCO West Symposium 2005  
 Clarion, PA

October 2004 **The Most Popular Herbals**  
 Invited speaker - Mini Medical School  
 Mercy Center for Aging/LECOM, PA

March 2004 **Herbal Therapy: An Overview and Clinical Implications**  
 Invited speaker - Primary Care Physicians  
 Peek & Peak Primary Care seminar CME, 2004

October 2003 **Medications Issues**  
 Invited speaker - Mini Medical School  
 Mercy Center for Aging/LECOM, PA

June 2003 **Food and Drug Interactions, Hypertension**  
 Invited speaker - Erie Health Center for Aging, PA

May 2003 **Clinical Practice Guidelines for the Tobacco cessation program**  
 Invited speaker - Primary Care physicians  
 Peek & Peak Primary Care seminar CME, 2003

June 2002 **Food and Drug Interactions, Hypertension**  
 Invited speaker - Erie Health Center for Aging, PA

February 2002 **Streptococcus pneumonia and Drug resistance**  
 Invited speaker – Department of Pharmacy  
 Ashtabula Medical Center, OH

November 2001 **Pharmacy Practice**  
 Open house – LECOM School of Pharmacy, Erie, PA

October 2001 **Diabetes update**  
 Invited member for a panel discussion on Diabetes  
 Bayhealth Medical Center, Dover, Milford, DE

June 2001 **Antiarrhythmics update**  
 Invited speaker - Nursing education program  
 Bayhealth Medical Center, Dover, Milford, DE

May 2001 **Diabetes Therapeutic update**  
 Diabetes’ educators for the State of Delaware  
 Invited speaker – Meals on Wheels, DE chapter

**Introduction to Nutrition**  
 Invited speaker - Nursing education program  
 Bayhealth Medical Center, Milford, DE

April 2001 **Pharmacy Education post-doctoral degree**  
 Invited speaker – Nesbitt School of Pharmacy, Wilkes University  
 Wilkes-Barre, PA

March 2001 **Safety in Herbal therapy**

Invited speaker - Geriatric group  
 Bayhealth Medical Center  
 Dover & Milford, DE

February 2001 **Diabetes therapeutics**  
 Invited speaker - Diabetes education group  
 Bayhealth Medical Center, Dover & Milford, DE

January 2001 **Sedation in liver dysfunction patients**  
 Invited speaker - Nursing seminar – Bayhealth Medical Center  
 Dover & Milford, DE

**Hepatitis C and Milk thistle**  
 Invited speaker - Hepatitis support group – Bayhealth Community education,  
 Dover, DE

December 2000 **Low molecular weight heparins**  
 Invited speaker - Nursing seminar – Bayhealth Medical Center  
 Dover & Milford, DE

November 2000 **Herbal therapy- An Overview**  
 Invited speaker - Ostomy support group – Bayhealth Medical Center  
 Dover, DE

September 2000 **Drug interactions**  
 Invited speaker - Ostomy support group – Bayhealth Medical Center  
 Dover, DE

May 2000 **NAPLEX Board review**  
 Nesbitt School of Pharmacy, Wilkes University, Wilkes-Barre, PA

March 2000 **Therapeutic review for stroke**  
 Invited speaker - Mended Heart Association – Mercy Hospital, Scranton, PA

October 1999 **Arrhythmias post cardiac surgery: Prophylaxis or no prophylaxis**  
 Grand Round – Mercy Hospital, Scranton, PA

**Antibiotics and Drug interactions**  
 Medical residents – Mercy Hospital, Scranton, PA

June 1999 **An overview of cardiac drugs for cardiac rehabilitation patients**  
 Invited speaker - Mended Heart Association – Mercy Hospital, Scranton, PA

May 1999 **Chemotherapeutic agents: Classification and side effects**  
 Invited speaker - Medical residents – Mercy Hospital, Scranton, PA

**Herbal Therapy – A new trend**  
 Invited speaker - Wilkes University Alumni Reunion – Wilkes-Barre, PA

April 1999 **Herbal therapy: Usage, adverse effects, and drug-herb interactions**  
 Invited speaker - Medical residents – Mercy Hospital, Scranton, PA

February 1999 **Clinical Implication of JNC VI**  
 Invited speaker - PSHP Annual Meeting – Pittsburgh, PA

November 1998 **Is QT dispersion a marker for ventricular tachyarrhythmia associated syncope?**  
 Platform presentation – AHA, November 8-11, Dallas, TX

September 1998 **Antiarrhythmic agents in clinical practice**

July 1998 Invited speaker - Medical residents, Mercy Hospital, Scranton, PA  
**Aminoglycosides and Vancomycin dosing**  
**Nutrition:How to write a TPN order**

March 1998 Invited speaker - Medical residents, Mercy Hospital, Scranton, PA  
**Medication Use in renal dysfunction patients**  
Invited speaker at the Annual Meeting of the Regional Society of  
Dietician, Wilkes-Barre, PA

March 1998 **Drug interactions and adverse drug reactions**  
Invited speaker - Medical residents, Mercy Hospital, Scranton, PA

January 1998 **Pain management, morphine pharmacokinetics & proposed protocol**  
Invited speaker - Medical Tumor Board, Mercy Hospital, Scranton, PA

November 1997 **Hypertensive crisis therapeutics** for ICU/CCU nurses  
Invited speaker - Mercy Hospital, Scranton, PA

October 1997 **Sedation & Haloperidol protocol**  
Invited speaker - Medical residents, Mercy Hospital, Scranton, PA

January 1997 **NAPLEX Board Review**  
Invited instructor - NLU with The Louisiana Pharmacist Association

1996 **Monthly Medical residents Inservices** - Critical Care/Burn  
UTMB at Galveston, TX  
Pharmacokinetics, sedation, pain management and neuromuscular  
blocking agents  
**Pharmacy Staff Development** (weekly)  
Saint Francis Medical Center, Monroe, LA

September 1996 **NAPLEX Board Review**  
Invited instructor - NLU with The Louisiana Pharmacist Association

August 1996 **ACLS drugs Pharmacology**  
Invited speaker - NLU with The Louisiana Pharmacist Association

May 1996 **NAPLEX Board Review**  
Invited instructor - NLU with The Louisiana Pharmacist Association

March 1996 **IV Amiodarone - Warfarin**  
Invited speaker - Nursing & Pharmacy staff,  
E.A. Conway Medical Center, Monroe, LA

February 1996 **IV Amiodarone**  
Invited speaker Medical staff  
E.A. Conway Medical Center, Monroe, LA

January 1996 **Clinical Pharmacokinetic Service** (Start)  
Training Program for Staff Pharmacists  
E.A. Conway Medical Center, Monroe, LA  
**Aminoglycosides**  
Invited speaker - Nursing staff  
E.A. Conway Medical Center, Monroe, LA

September 1995 **An Overview on Antiarrhythmic agents**  
Medical residents core lectures

E.A. Conway Medical Center, Monroe, LA  
**NAPLEX Board Review**  
 N.L.U., School of Pharmacy, Monroe, LA  
 August 1995 **Myocardial Infarction Pharmacotherapy**  
 Medical residents core lectures

E.A. Conway Medical Center, Monroe, LA  
 May 1994-95 **Acute Myocardial Infarction and Unstable Angina:  
 Pathophysiology and Current Treatments -**  
 Invited speaker - 18th Annual Arthur E. Schwart in Pharmacy Practice  
 Symposium, University of Connecticut, Storrs, CT  
**Hypertension: Pharmacology and Therapeutics**  
 Dental residents, Hartford Hospital, CT  
**Cardiac diseases, treatment and prevention**  
 Invited speaker, Community teaching at a skilled nursing facility affiliated  
 with Hartford Hospital, CT  
**Angina, Myocardial Infarction, Congestive Heart Failure,  
 Arrhythmia: Pathophysiology and Pharmacotherapeutics**  
 Invited speaker - Advanced Practitioner Nurse Courses  
 Hartford Hospital, CT

October 1994 **An update on Antiarrhythmic drugs**  
 Invited speaker - Continuation Education Credit program for Pharmacists  
 University of Connecticut, CT  
**Hypertension, Pathophysiology and Pharmacotherapeutics**  
 Invited speaker - Advanced Practitioner Nurse Course  
 Hartford Hospital, CT

October 1993 **Flumazenil, Buprenorphine and Sedation for cardiac patients**  
 Nursing staff, Coronary Care Unit, Hartford Hospital, CT

November 1992 **Prevention of restenosis post-PTCA**  
 Seminar presented to the Clinical Faculty and students  
 Philadelphia College of Pharmacy and Science

July 1992 **The role of Acetazolamide and NSAID'S in reducing the  
 intracranial pressure secondary to brain tumors**  
**Adriamycin toxicity and cardiomyopathy**  
**Erythropoietin in cancer chemotherapy**  
 Medical staff, Presbyterian Medical Center of Philadelphia

June 1992 **Leucovorin rescue in Methotrexate therapy**  
 Attending round, Presbyterian Medical Center of Philadelphia  
**The role of NSAIDS in renal failure**  
 Medical staff, Presbyterian Medical Center of Philadelphia

**Bepridil; Anticoagulation; Pharmacotherapy in cardiac  
 transplantation**  
 Nursing staff, Coronary Care Unit

Hospital of the University of Pennsylvania  
**The role of Calcium channel blockers in coronary artery spasm**  
Pharmacy Conference, Coronary Care Unit  
Hospital of the University of Pennsylvania  
March 1992 **Ethiofos (WR-2127)**  
Seminar presented to the Clinical Faculty and students  
Philadelphia College of Pharmacy and Science  
**Levothyroxine replacement in clinical settings**  
**A review on drug interactions with Warfarin**  
Attending round, Hospital of the University of Pennsylvania  
February 1992 **The roles of Fluoroquinolones in Mycobacterial infections**  
Pharmacy Conference, Thomas Jefferson University Hospital, PA

During my practice at Temple University Hospital (January 1990-August 1991)

Monthly nursing inservice: **Intravenous drugs interactions**

Monthly local community teaching and prevention programs:

**Diabetes (NIDDM and IDDM): Pathophysiology and Therapy**

**Osteo and Rheumatoid arthritis: Pathophysiology and Therapy**

**Hypertension: treatment and prevention**

**Myocardial infarction**

Lecture to Pharmacy students

**Review on Antibiotics**

**Intra-aortic ballon pump**

Presentation to the Pharmacy staff

#### **CONSULTANT (past)**

Aventis

Pfizer

Bristol Myers Squibb

Wyeth Ayerst

Genentech

Merck

Lilly

Ortho McNeil

#### **RESEARCH INTERESTS**

Clinical Pharmacology, Pharmacokinetics/Dynamics of Cardiovascular-renal therapeutics in special populations, Cardiac arrest, Pharmacoeconomic/Drug therapy Outcome and Clinical Nutrition.

## **RESEARCH EXPERIENCES and GRANTS**

Define the hypothesis, write up the protocol, obtain the budget, submit to the IRB, coordinate the studies, screen and recruit patients, perform the studies and follow-up, collect and analyze data, and submit for presentation and publication.

Acquire, coordinate and conduct all current animal and clinical studies for the service.

### **Center for Drug Information and Clinical Research**

HRSA, 2006 - \$300,000

Principal investigator

### **Athena Mortality and Morbidity study**

Sanofi-Aventis, 2006 - \$76,000

Co-Principal investigator

### **Non-smoking Program Clinical Practice Guidelines Education and Implementation for Physicians and Health care providers – Three year-grant**

Erie, Department of Health, 2005 to 2008 – \$28,920

### **Rescue-ACS**

Aventis, 2004 - \$45,000

Study coordinator

### **Grace Study Registry for ACS and MI**

Aventis, 2003

Study coordinator

### **Non-smoking Program Clinical Practice Guidelines Education and Implementation for Physicians and Health care providers – Three year-grant**

Erie, Department of Health, 2003 to 2005 – \$60,000

### **Unrestricted Educational Grant**

Aventis, 2002 – \$7,600

### **Assent 3 trial – A worldwide multicenter, randomized study for the combination of tenecteplase with either enoxaparin, heparin, or a half dose tenecteplase with abxiximab and heparin.**

Genentech and BI – \$16,000

Study coordinator – 2000-2001, Bayhealth Medical Center, Dover, DE

### **Changing antibiotic prescribing habits via a yearly published antibiogram**

Ortho-McNeil, 2000 – \$1,000 each year

Principal investigator – 2000, Bayhealth Medical Center, Dover, DE

### **Evaluation of the volume distribution of vancomycin in critically ill patients.**

Principal investigator – 2000, Wilkes University, Nesbitt School of Pharmacy

### **Evaluation of three formulas to assess the creatinine clearance in critically ill patients.**

Principal investigator – 2000, Wilkes University, Nesbitt School of Pharmacy

### **Contribution of a faculty and students managed for a Clinical Pharmacokinetic service.**

Principal investigator – 1999, Wilkes University, Nesbitt School of Pharmacy

### **The mechanism of action of chlamydia organism in the development of atherosclerotic diseases: A pilot study**

Wilkes University Grant – \$1,500

Principal investigator – 1999, Wilkes University, School of Pharmacy, Wilkes-Barre, PA  
**Is QT dispersion a marker for ventricular tachyarrhythmia associated syncope ?**

BI - \$22,000

Principal investigator – 1998, Mercy hospital, Scranton and Wilkes University School of Pharmacy, Wilkes-Barre, PA, with Hartford hospital, Hartford, CT

**Triage Pilot study to document impact of pro-active pharmacists interventions in an inpatient hospice unit**

Principal investigator - 1997, Mercy Hospital, Scranton, PA

**Synercid for vancomycin resistant enterococcus infection**

Funded by Rhone-Poulenc-Rorer

Co-investigator - 1996, Saint Francis Medical Center, Monroe, La

**Comparative study of QT dispersion and stress test imaging in chest pain patients with non-diagnostic ECG**

Principal investigator - 1996, Hartford Hospital Nuclear Cardiology Department

**Does spontaneous chest pain with reversible myocardial ischemia increase QT dispersion?**

Principal investigator - 1995, Hartford Hospital Nuclear Cardiology Department

**QT dispersion in a normal population: Effect of gender and age**

Principal investigator - 1995, Hartford Hospital, Hartford, CT

**Variability in QT measurement using three different methods**

Principal investigator - 1995, Hartford Hospital, Hartford, CT

**Topical Erythromycin to prevent premature labor**

Co-investigator - 1995, E.A. Conway Medical Center, Monroe, LA

**QT dispersion with Dofetilide, a new type III antiarrhythmic agent**

Principal investigator – 1995, Hartford Hospital, Hartford, CT - Submitted to Pfizer Corp.

**Effect of Diaspirin Crosslinked Hemoglobin (DCLHb<sup>TM</sup>) during and post-CPR using a dose-escalating dosing design.**

An animal (pig model) study, Funded by Baxter Corp. - \$32,000

Co-investigator & coordinator - 1995, Hartford Hospital, Hartford, CT

**A double-blind, placebo controlled, multicenter study evaluating the efficacy and safety of different oral dose levels of dofetilide in the prevention of recurrence of atrial fibrillation/flutter in patients with chronic persistence atrial fibrillation/flutter converted electrically or pharmacologically to sinus rhythm (and an extension open-label of the study)**

Funded by Pfizer Corp. - \$148,280

Co-investigator and coordinator - 1995, Hartford Hospital, Hartford, CT

**Efficacy and safety of oral d-sotalol in patients with malignant ventricular arrhythmias and implanted cardioverter-defibrillators (ICDs).**

Funded by Bristol Myers Squibb - \$168,000

Co-investigator and coordinator - 1994, Hartford Hospital, Hartford, CT

**An open label long term expansion study of orally administered dofetilide in patients with an implanted arrhythmia control device.**

Funded by Pfizer Corp. - \$52,780

Co-investigator and coordinator - 1994, Hartford Hospital, Hartford, CT

**A randomized, double-blind study of orally administered dofetilide and placebo in patients with an implanted arrhythmia control device.**

Funded by Pfizer Corp. \$99,309

Co-investigator and coordinator - 1994, Hartford Hospital, Hartford, CT

**A randomized, double-blind study to investigate the safety and clinical efficacy of MK-383 vs heparin in patients with unstable angina/non-Q wave MI.**

Funded by Merck, Sharp & Dohmes

Unblinded dosing supervisor - 1994, Hartford Hospital, Hartford, CT

**Strokes treatment with Ancrod (Arvin) trial.**

Funded by Knoll Pharmaceutical - \$50,000

Unblinded dosing supervisor and laboratory processing - 1993, Hartford Hospital, Hartford, CT

**Tilt study in patients with neuromediated syncope.**

Funded by Hartford Hospital - \$12,360

Co-investigator - 1993, Hartford Hospital, Hartford, CT

**t-PA and Nitroglycerin interaction study.**

Funded by Hartford Hospital - \$11,750

Co-investigator - 1993

**An open-label study of the effects of Sotalol and Mexilit (mexiletine hydrochloride). Use in combination in patients with ventricular arrhythmias.**

Funded by Boehringer Ingelheim, Inc. - \$21,700

Co-investigator & coordinator - 1993, Hartford Hospital, Hartford, CT

**Effect of Diaspirin Crosslinked Hemoglobin (DCLHb<sup>TM</sup>) during CPR and on ventricular fibrillation thresholds immediately post-CPR.**

An animal (pig model) pilot study, Funded by Baxter Corp. - \$16,000

Co-investigator & coordinator - 1993, Hartford Hospital, Hartford, CT

**The effects of renal impairment on the pharmacokinetics of dideoxycytidine (DDC)** Funded by Hoffmann-La Roche - \$23,000

Co-investigator & coordinator - 1993, Hartford Hospital, Hartford, CT

**Pharmacokinetics-dynamic modeling in Oncology**

Elective research rotation, September 1992 - Lisa Davis, Pharm.D., preceptor.

**Pharmacokinetics and Pharmacodynamics study of nitrate tolerance with Isosorbide-5-Mononitrate controlled-release dosage form.**

Protocol submitted for the clinical research design course, June 1992

Lisa Lawson, Pharm.D., preceptor.

**Depression, biochemical study in rats secondary to stress using HPLC and electro-chemical detector.**

Independent research study elective course, December 1989

Anil D'Mello, PhD., preceptor.

**Vasoconstrictive property of arterial vessels using micro-dissection and graph recorder.**

Independent research study elective course, December 1989 (rabbit model)

Mary Owens, PhD., preceptor

**Rate of dissolution and drug distribution of theophylline in different types of bead formulation using spectrophotometer and dissolution technique.**

Student research assistant, Summer 1988; Roger Schnaare, PhD., preceptor.

**ABSTRACTS AND PUBLICATIONS**

**Advisory Board** – Scientific Journal International, 2008 -

**Column Co-editor** for the peer-reviewed journal “Pharmacy Times”, 2002-03 (Monthly column)

**Council member** - Pharmacist Letter’s Educator Advisory Council, 2002-present

**Book Reviewer**

- 2<sup>nd</sup> ed of Lexicom (ISPOR), 2001-03
- 9<sup>th</sup> ed. Pharmacotherapy, 2006
- 8<sup>th</sup> ed. Applied Therapeutics – 2006, Chapters: Diabetes and HIV
- 4<sup>th</sup> ed. Basic Pharmacokinetics, 2006
- New edition, Pharmacotherapeutics: Clinical reasoning in Primary Care – 2006, Chapters: Antianginal agents and Thrombolytics and Sclerosing agents

**Grant reviewer**

- American College of Colleges of Pharmacy
- Sullivan University
- Sullivan University College of Pharmacy
- Medical residency program Hamot Medical Center, Erie, PA

**Literature review** (Cardiology) for ACCP Critical Care PRN, 1995-2000

**Editor** of the "Tip of the month" column, Pharmacy Newsletter - Temple University Hospital, 1990-1991.

**Editorial board:**

Clinical Pharmacology & Pharmacokinetics, Cardiovascular Therapeutics columns for the Pharmacy Department Newsletter, Mercy Hospital, Scranton, PA, 1999-2000.

Pharmacy Newsletter, BayHealth Medical Center, Dover & Milford, DE, 2000-2001

P&T Formulary, 2004-present

Scientific Journal International, 2008 - present

**Manuscripts and Abstracts Reviewer**

2008 – Scientific Journal International

Geriatric council Annual meeting – Abstract reviewer

AACP – Abstract reviewer

2007 – ISPOR Annual Meeting – Abstract reviewer

AACP – Abstract reviewer

2006 – ISPOR Annual Meeting – Abstract reviewer

2006 – AACP Annual New Investigator Research Proposals and abstract reviewer

## HONORS AND DISTINCTIONS

- 2007                            *Commissioned as Honorable Kentucky Colonel*  
The Honorable Order of Kentucky Colonels – Kentucky
- The Most Influential in Health Care Award 2007*  
Business First, Louisville, KY
- Marquis Who is Who in Education*  
Sullivan University College of Pharmacy  
Louisville, KY
- 2006                            *Spoke person for the American Cancer Society on smoking cessation*  
Erie, PA
- 2005                            *Marquis Who is Who in Education*  
Lake Erie College of Osteopathic Medicine School of Pharmacy  
Erie, PA
- 2004                            *Marquis Who Is Who Amongst Scientists and Engineers in America*

- Lake Erie College of Osteopathic Medicine School of Pharmacy  
Erie, PA
- 2003 *Elected to the State Board of Directors of the American Lung Association  
Pennsylvania (3 year term)*
- Invited speaker to the University of Hanoi, College of Pharmacy  
Vietnam*
- 2002 *Preceptor's Award of the Year*  
Nominated by students on clinical rotation from Wilkes University, Nesbitt  
School of Pharmacy, Wilkes-Barre, PA
- People to People Ambassador Program, Clinical Pharmacology Delegation  
to China*  
Stanford University, School of Medicine, San Francisco, CA
