

July 8, 2010

Sullivan University College of Pharmacy (SUCOP) would like to invite you to join other pharmacy colleagues at the [National Conference of State Legislatures \(NCSL\)](#) Legislative Summit in Louisville, Kentucky, from July 26-28, 2010.

NCSL is the bipartisan organization that provides research, technical assistance and opportunities for state policymakers and staffs. Each summer, the NCSL Legislative Summit brings thousands of legislators and staff together for the largest and most substantive meeting of its kind in the nation.

This year, NCSL has chosen Louisville as its conference site.

SUCOP would like to ask for your commitment in supporting this event by volunteering your time and allowing our students to take advantage of this exciting opportunity. As an educational institution for the profession of pharmacy, we would like to proudly represent our professional voice and presence at the NCSL Legislative Summit. SUCOP would like you to join many of the professional pharmacy organizations as they participate in this event as part of the **Alliance for Pharmaceutical Care**, a consortium of eight national pharmacy organizations.

The Alliance for Pharmaceutical Care will host a demonstration exhibit designed to promote pharmacists' patient care role and their value to the healthcare system. Volunteers will staff the Alliance's booth in the exhibit hall and perform:

- Asthmas Screening/Education
- Cholesterol Screening/Education
- Diabetes Screening/Education
- Osteoporosis/Bone Density Testing
- "Brown Bag" Medication Reviews
- Overall Medication and Health Counseling

The Alliance for Pharmaceutical Care is looking for volunteers - pharmacists and pharmacy students - to help educate policymakers during the 2010 NCSL Legislative Summit.

For more information about this opportunity, please visit the Alliance for Pharmaceutical Care volunteer site: http://www.allianceforpharmcare.com/alliance_volunteers.html. You can volunteer during specific time frames held during the three days. Students will need to register separately.

We ask that you kindly respond as to whether or not you are willing to participate by clicking on the link to this Zoomerang survey. <http://www.zoomerang.com/Survey/WEB22AW7MZ94QU>

Thank you for being a voice for pharmacy.

Sincerely,
The Sullivan University College of Pharmacy NCSL Organizing Committee
