### OATH OF A PHARMACIST

I promise to devote myself to a lifetime of service to others through the profession of pharmacy. In fulfilling this vow:

- I will consider the welfare of humanity and relief of suffering my primary concerns.
- I will apply my knowledge, experience, and skills to the best of my ability to assure optimal outcomes for my patients.
  - I will respect and protect all personal and health information entrusted to me.
  - I accept the lifelong obligation to improve my professional knowledge and competence.
- I will hold myself and my colleagues to the highest principles of moral, ethical, and legal conduct.
  - I will embrace and advocate changes that improve patient care.
  - I will utilize my knowledge, skills, experiences, and values to fulfill my obligation to educate and train the next generation of pharmacists.

I take these vows voluntarily with the full realization of the responsibility with which I am entrusted by the public.
