TUITION PAYMENT POLICY

Sullivan University is an independent, private, coeducational university, which does not receive financial support from sources other than tuition, fees, and bookstore sales. Current program rates are listed inside of this document. The University offers courses of study in the day division, which range in length from 6 months through a Doctoral degree, and enrolls students for complete programs rather than individual subjects. A parent or guardian must sign applications for minor age students. The Fort Knox tuition rate is limited to Fort Knox and the immediate local communities. Students transferring to other Sullivan campuses must complete new applications and enter at their tuition rate.

OFFICIAL TUITION REDUCTION & ADJUSTMENT POLICY

If a student withdraws or is withdrawn from Sullivan University prior to the completion of the program, he/she will be obligated to Sullivan based on the tuition reduction policy listed in the University catalog. If a student withdraws or is withdrawn and has not paid the non-refundable percentage of tuition, the remaining unpaid balance of the percentage must still be paid as agreed. The University expects the student to complete his/her course of study. The student has one and a half times the stated credit hour length of his/her program of study to complete the required coursework.

*The following rates are for students entering the class of 2021, in July 2021. PharmD and Physician Assistant program students entering the class of 2020 must refer to 2019-2020 Supplement A (dated 7/19) for current tuition and fee rates.

Tuition and fee charges are subject to change without notice.

Sullivan University does not charge students a fee associated with verification of student identity (SACSCOC PoA 10.6c).
