Current program rates are listed inside of this document. The University offers courses of study, which range in length from 6 months through a Doctoral degree and enrolls students for complete programs rather than individual subjects. A parent or guardian must sign applications for minor age students. The Fort Knox tuition rate is limited to Fort Knox and the immediate local communities. Students transferring to other Sullivan campuses must complete new applications and enter at their tuition rate.

OFFICIAL TUITION REDUCTION & ADJUSTMENT POLICY

If a student withdraws or is withdrawn from Sullivan University prior to the completion of the program, he/she will be obligated to Sullivan based on the tuition reduction policy listed in the University catalog. If a student withdraws or is withdrawn and has not paid the non-refundable percentage of tuition, the remaining unpaid balance of the percentage must still be paid as agreed. The University expects the student to complete his/her course of study. The student has one and a half times the stated credit hour length of his/her program of study to complete the required coursework.

*The following rates are for students entering the class of 2022, in July 2022. PharmD and Physician Assistant program students entering the class of 2021 must refer to 2020-2021 Supplement A (dated 2020) for current tuition and fee rates.

Tuition and fee charges are subject to change without notice.

Sullivan University does not charge students a fee associated with verification of student identity (SACSCOC PoA 10.6c).
